### About the EPSM:

The EPSM is a non-profit trade association of European Payment Service Providers for Merchants.

EPSM's main objectives are to represent its members' interests and to provide a platform for exchanging news, information and views on the European payments market.

Currently, EPSM represents more than 65 organisations with their headquarters in more than 15 different countries.

Its members include network operators, acquirers, internet and mobile payment providers, manufacturers, processing providers and payment schemes.
