

Public Information Note:

**EPSM’s Rodney Farmer has been re-elected into the Global PCI Board of Advisors**

Munich, 31 June 2023

Long-standing EPSM Board member Rodney Farmer has been re-elected into the 2023-2025 Board of Advisors of the global PCI Security Standards Council (PCI SSC). The Board of Advisors represents PCI SSC Participating Organizations worldwide to ensure global industry involvement in the development of PCI Security Standards and programs. The balloting took place among the Participating Organizations of the Payment Card Industry Security Standards Council (PCI SSC).

Rodney Farmer is continuing to be one of 52 board members to join the PCI Security Standards Council in its efforts to secure payment data globally. As strategic partners, board members bring industry, geographical and technical insight to PCI SSC plans and projects.

The 2021-2022 Board of Advisors includes representatives from the following organizations:

**About the EPSM:**

The European trade association EPSM represents the interests of payment service providers for merchants, like acquirers and internet PSPs for payment acceptance. As a non-for-profit organization, it provides a cost-effective interest representation and general information exchange on payment topics to its members.

Since its founding in April 2005, the specialised EPSM has grown to over 60 EPSM members with headquarters in 16 European countries (AT, BE, CH, CY, CZ, DE, FR, GR, HU, IE, IT, LU, LT, NL, SE, UK) and in the USA. There are voting (ordinary) members, like acquirers, payment

network operators, and internet payment providers, and non-voting (extra-ordinary) members, like payment schemes, service providers, and terminal manufacturers.

The association has been in contact with the European Commission, the ECB, the EBA, other European and national organisations and actively taken part in several consultations. EPSM representatives are active in the EU Payment Systems Market Expert Group (PSMEG) and the global PCI SSC Board of Advisors (PCI BoA).

The services for members include three person-to-person EPSM Meetings per year with external speakers, virtual meetings and workshops, up-to-date information by e-mail, a homepage with a non-public intranet and working groups corresponding to the needs of the members, such as for PSD2-SCA, AML and regulatory topics.
